

St. Margaret Mary
Catholic School
"Educating Tomorrow's Leaders"

April 20, 2017

Dear Parents,

It is with great excitement that we announce the Archdiocese of San Antonio will be opening a new regional middle school on the grounds of St. Gerard Catholic School next fall. Beginning with the 2017 – 2018 school year, St. Margaret Mary will be welcoming students in PK3 thru 5th grade, while students in grades 6th – 8th will have the opportunity to enroll at St. Gerard Regional Catholic Middle School. Implementation of this new regional middle school concept will allow each campus to focus on their strengths while more fully utilizing available resources.

We hope to make the transition of the middle school students to St. Gerard as seamless as possible. We know that with the Lord's guidance and your continued prayers, the Archdiocese, St. Margaret Mary, and the new St. Gerard Regional Catholic Middle School will continue to provide the best Catholic education for your children. Thank you for your support and commitment to our school and community.
Respectfully,

Dr. Christina L. Saavedra, Principal
